

Naming Convention List

When creating the organization funding source in eCivis, you must utilize the appropriate naming convention below for the “Grantor” box. If you do not utilize the naming convention below, your grant will not interface from eCivis to AFIS.

Please reference the document below for correct agency spelling, they do not have to be in all capital letters but must be spelled out as they appear. Agency names are listed below in alphabetical order.

If the funding agency is not on this list, please email Gfr@azdoa.gov and federalgrants@azdoa.gov and we will ensure your Grantor agency is added. This will assist GAO in adding the agency name and prevent an interface error.
